Jeff Metz is a lifelong equestrian and started riding Hunter /Jumpers at age 14. He won the Nor Cal medal finals as well as multiple year-end championships in his competitive career. Jeff has judged in the southern California circuit for over 20 years. He is a regular judge here at Willowbrook and one of our favorites. Jeff enjoys giving constructive feedback to his students and runs a great clinic (he has ridden in Clinics with Karen Healey, George Morris and Micheal Matz). Jeff currently is a professional race horse trainer and a familiar figure in the winner 's circle at Santa Anita and Del Mar.
